Medical Sanitiser

Jangro

Professional

BA036-75

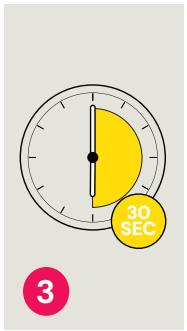

Spray Disinfecting and Sanitising:

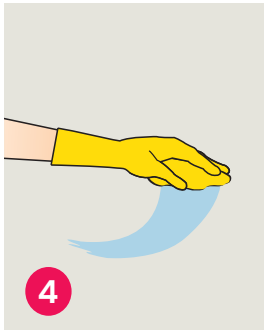

Place safety Sign & use the appropriate PPE as indicated in the SDS Sheet.

Turn the spray nozzle to 'ON' position. Spray directly onto the surface to be cleaned.

To ensure disinfection, allow product to work for 30 seconds.

Then wipe away with a damp clean cloth.
For heavily soiled surfaces repeat application.
Turn nozzle to 'OFF'.

Remove Safety Signs.
